Locate all hardware & components before discarding packaging

1.)

Step 1. Install top loop A to center stem B1 and attach appropriate amount of chain to loop to achieve desired mounting height. Thread wire through every 3rd loop of chain

2.)

Step 2. Remove ring from loop and slide down chain. Place canopy onto chain and let slide to top of fixture, install nipple and cross bar into top of chain loop, thread wire through loop and nipple, install mounting bar to outlet box

3.)

Cleaning & Care:

Clean with soft cloth and a mild detergent.
Do not use abrasive cleaner.
